

Dear Friend,

This week, it is all about YOU! We know that we couldn't do any of the important and holy work at Friends In Deed without the tireless support of all of the volunteers and supporters who have committed their time, treasure and passion to those that we serve.

- Thank you to the TWR volunteers who prepare breakfasts and lunches, offer their services, teach, love, and share themselves with the 25-35 ladies who come every day. The dignity, respect, and compassion that you show make The Women's Room unique and special.
- Thank you to the hardworking volunteers in the Food Pantry, some who have been coming for over 30 years (we love you Harriet!), who bring their energy, muscles, and nonstop movement to ensure that 340 households a week can get the food that they need, and enjoy, to support themselves and their families.
- Thank you to the hundreds of volunteers that come to the Bad Weather Shelter every season, to set-up and cook meals for over 60 people, giving our most vulnerable and chronically homeless clients a warm and loving space to lay their heads and fill not only their stomachs, but their hearts as well.

- Last, we are so grateful for the commitment and generosity of those who contribute financially to ensure that we can continue to provide top quality care, something we have been doing for 126

years in Pasadena. In particular, our Street Outreach and Homelessness Prevention programs, which have no hands-on volunteers, literally couldn't operate without your support.

So, a huge thank you from all of us at FID! We want you to know that we never take you for granted, and we are beyond grateful for all you do, truly making our motto, "doing together what we cannot do alone," the vision of all that is possible.

Blessings and have a lovely weekend,

Rabbi Joshua
