INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying financial statements of **Friends in Deed** which comprise the statement of financial position as of December 31, 2019 and the related statements of activities, functional expenditures and cash flows for the year then ended, and the related notes to the financial statements. The prior year summarized comparative information has been derived from the organization's 2018 financial statements and in our report dated March 9, 2020 an unqualified opinion was expressed on those financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Friends in Deed** as of December 31, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated March 9, 2020 on our consideration of **Friends in Deed**'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering **Friends in Deed**'s internal control over financial reporting and compliance.

THE FID GROUP dba FRIENDS IN DEED
NOTES TO FINANCIAL STATEMENTS

NOTE 1- NATURE OF ACTIVITIES

Friends In Deed was created as an interfaith cooperative enterprise to deliver social services to low income and homeless people in the Pasadena area. The current programs of Friends In Deed include a food pantry, a winter homeless shelter, a day shelter for women who are homeless or at risk of homelessness, a homeless prevention program, and a street outreach program. Friends In Deed also has Memorandums of Understanding with six other Pasadena social service organizations in order to more fully meet the needs of our clients. Major sources of revenue are individual donations, government grants, corporate/organization grants and fundraising events.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The accompanying financial statements are prepared on the accrual basis in accordance with the AICPA's Audit and Accounting Guide, "Not-for-Profit Organizations" which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without Donor Restrictions: - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of Friends in Deed. These net assets may be used at the discretion of Friends in Deed's management and the board of directors. Also, contributions that are restricted by the donor are reported as increases in net assets Without Donor Restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized.

Net assets with Donor Restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of management estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

Friends in Deed consider all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

These notes are an integral part of the preceding financial statements.

NOTE 2- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

GRANTS RECEIVABLE

There is no provision for doubtful accounts as all receivables were considered collectible.

PROPERTY AND EQUIPMENT

Property and equipment acquired is considered to be owned by Friends in Deed while used in the program for which it was purchased or in other future authorized programs; however, the various Federal and state agencies have a reversionary interest in the property and equipment; its disposition as well as the ownership of any proceeds there from is subject to Federal and state regulations. Property and equipment is carried at cost less the related accumulated depreciation. Donated property and equipment is carried at the fair market value at the date of donation. Friends in Deed capitalizes property and equipment purchased with non-government funds having a unit value of \$5,000 or more and a life expectancy of two or more years. Property and equipment purchased with government funds is expensed in the year of purchase. Depreciation is computed using the straight-line method over the estimated life of the property and equipment.

INCOME TAXES

Friends in Deed is an association of churches that is exempt from filing Federal and State income tax returns under Internal Revenue Code Section 501(c) (3) and California State Revenue and Taxation Code Section 23701(d) except on net income derived from unrelated business activities. Friends in Deed did not have any unrelated business income in 2019.

REVENUE RECOGNITION

Friends in Deed recognizes revenue when contract services are provided, revenue is recorded as with restrictions or without restrictions depending on the existence or nature of a contract agreement.

RECOGNITION OF DONOR RESTRICTIONS

Friends in Deed reports gifts of cash and other assets as with restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with restrictions are reclassified to net assets without restrictions and reported in the statement of activities as net assets released from restriction.

EXPENSE ALLOCATION

The costs of providing the various programs and supporting services have been summarized on a functional basis. Certain allocations have been estimated between program expense and support services.

COMPARATIVE FINANCIAL INFORMATION

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Accordingly, such information should be read in conjunction with Friends in Deed's financial statements for the year ended December 31, 2018 from which the summarized information was derived.

NEW ACCOUNTING PRONOUNCEMENT

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. Friends in Deed has begun the implementation of the new standard.

NOTE 7 – SUBSEQUENT EVENTS

Friends in Deed’s management has evaluated subsequent events for the period from December 31, 2019 through March 9, 2020, the date the financial statements were available to be issued. Management identified the following event that require disclosure or that would have an impact on the financial statements.

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. have declared states of emergency. It is anticipated that these impacts will continue for some time. Friends In Deed has been fortunate to receive emergency funds from several sources, including the Paycheck Protection Program. Although some FID programs have been put on hold due to the inability to social distance, they have kept the Food Pantry open, have continued their Street Outreach Program by working with the city to place homeless individuals in motels for safe shelter, and have continued to offer rental assistance. The goal of Friends In Deed is to raise enough funding to re-open at increased capacity knowing that our services will be more necessary than ever when the Covid-19 crisis is over.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of **Friends in Deed**, which comprise the statement of financial position as of December 31, 2019, and the related statements of activities, functional expenditures and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 9, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered **Friends in Deed's** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **Friends in Deed's** internal control. Accordingly, we do not express an opinion on the effectiveness of **Friends in Deed's** internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Friends in Deed's** financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
