Immediate Past President Richard Cheung introduces new Board President Bret Schaefer

Dear Friend,

It gives me great pleasure to introduce our next Friends In Deed Board President, Bret Schaefer. Bret has been involved with FID for the past five years, serving as our Board Treasurer. He comes with a wealth of experience in the finance world, having previously been employed as CFO for the Giant Magellan Telescope Organization and Senior Vice President of Finance for Sun Microsystems. Bret is also a CPA and has an MBA from the University of Chicago.

Currently, Bret works for Alzheimer's Los Angeles as their CFO. I've had the opportunity to work with Bret the past few years and am very grateful for his knowledge and expertise in managing our finances. He has helped develop FID into a very fiscally disciplined organization. Bret was one of the main forces in directing the stability of Friends In Deed.

Bret lives in Pasadena with his wife Peggy, and has two grown daughters, Madeline and Katya. In his free time you can see him riding his bike all over Pasadena.

I recently shared with a donor about our new board president. I told her, "We are very lucky, we got a good one for FID!"

I am very confident that Bret's leadership will help FID reach new heights.

Please join me in a very enthusiastic welcome to Bret Schaefer, Friends In Deed's new Board President.

Richard
Immediate Past President

Dear Friend,

I am honored to assume leadership of the board of this wonderful organization. I recognize that the need for our services is as great as ever.

I will do everything I can to build on the powerful foundation that Richard's leadership has made possible, and we will continue to work together to increase FID's capacity to "do together what we cannot do alone."

Bret
Board President

PS. FID will be closed on Monday in honor of Martin Luther King Jr. Day
