

FRIENDS IN DEED *

Dear Friend,

Many times our clients come to Friends In Deed looking for help with one thing and end up getting more than they bargained for! This happened to Anthony and Sean recently, two brothers who came to the Food Pantry to get groceries for their large family back home. They met our Director of The Food Pantry, Tim Nistler, and happened to mention that they were looking for new housing as the home they were in was not large enough for the entire family. It turns out these two young men had been sharing a small room for over a year while their family struggled to accommodate more and more relatives who had lost work due to COVID-19 and were in need of a place to stay. Tim was able to direct them to Ryan, our Director of Eviction Prevention and Rental Assistance, who helped Anthony and Sean qualify for funding to get them moved into their own place. The brothers now have room to cook their own meals, store their things, and sleep more comfortably, and their family has more room as well!

These folks can turn to Friends In Deed because of you, our amazing supporters. [Thank you for making it possible](#) for us to meet the needs of our community members.

Blessings, and have a lovely weekend!

We continue to welcome returning volunteers to The Women's Room! It is lovely to have Brooke back again, in her favorite sunflower apron. Our guests in TWR have missed her as much as the staff has!

This is the time of year when [Food Forward](#) goes to the [Hunfington Library](#) to pick their orange harvest. Friends In Deed picked up 600lbs of oranges for the Food Pantry, and there are more to come!

Meditation in The Women's Room. It is good to be able to provide activities like this for our ladies once again!
