

FRIENDS IN DEED*

Dear Friend,

To switch things up this week, a short video to share an inspiring story:

I have been looking very closely at models of emergency shelter, bridge, and temporary housing options for our unsheltered neighbors in our city. We will soon be announcing a new FID program that will creatively offer temporary housing while our team navigates folks to bridge or permanent supportive housing. The transformative gift I shared about in the video above is one of the seed donations launching this pilot project.

Happy Mother's Day

Blessings, have a safe and lovely weekend!

Rabbi Joshua

The Los Angeles Regional Food Bank is the main food provider in Los Angeles County to agencies like Friends In Deed. Pictured here, a pallet of food is being loaded into our refrigerated van.

Just part of a massive donation of nearly 1,000 pounds of pet food from the Pasadena Humane Society!

Thank you to Clare, from Health Net of California, for coming to our Food Pantry and keeping our clients informed of services that could be useful to them!

We are so grateful to Assistance League of La Cañada for their donation of a brand new desktop computer for The Women's Room! They even bought flash drives so guests can save any of their personal data to take with them.
