

*\*Doing together what we cannot do alone*

## Weekly Message

Dear Friend,

WE DID IT!

It came down to the wire, but our supporters came through for us and we met our Giving Day goal. 367 donors helped us unlock a \$25,000 gift from the Lawrence A. Appley Foundation, and we raised \$73,692 all together. And togetherness is really what this day was about, so thank you to each and every one of you who LEAPT into action (one last Leap Year pun for you!)

These funds go right into making our programs possible and supporting locals who need our help. We like to tell stories at Friends In Deed, but we love it when clients are able to tell their own. [Listen here for Anthony's story](#), a man our Street Outreach and Housing team worked with recently and helped get permanently housed. He has a pretty inspiring story, albeit difficult, which includes his incredible son winning chess tournaments while sometimes living in a motel with his dad.

Anthony's new home.

We can only do this work because of the power of our community,  
*doing together what we cannot do alone.*

Blessings and have a lovely weekend,  
Rabbi Joshua
